

# 579

# 579

FEATURE	VALUE
1. Lightweight Aluminum Design	Lightweight for improved fuel efficiency and optimized payload capacity
2. Large, High-Visibility Windshield	Large panoramic windshield enhances forward visibility
3. Ergonomic Dash	Designed for driver efficiency, down-road visibility and exceptional driver comfort
4. Signature Peterbilt Grille Design	Improved aerodynamics and new grille enhance classic Peterbilt styling
5. PACCAR MX-13 Engine	Maximum performance, superior fuel efficiency and low operating costs
6. Projector & HID Headlamp Options	Standard halogen projector and optional high-intensity discharge headlamp options provide excellent visibility
7. 3-Piece Bumper	Minimizes repair and replacement cost
8. Hood Pivot / Tilt Assist	Torsional hood pivot and integrated tilt-assist make opening the hood virtually effortless
9. Anti-Blow-Down Hood Feature	Prevents unexpected blow-down and provides peace of mind during under-hood maintenance
10. Standard Air Disc Brakes	Maximum stopping power and improved braking feel versus drum brakes
11. Flexible Aerodynamic Options	Improved fuel economy and configuration flexibility to meet efficiency and operational needs
12. Spacious Cab	Cab interior width increased 8" for more spacious, comfortable driving environment
13. 117" & 123" BBC	Efficiency, maneuverability and 13L-15L power capability
14. Detachable Sleepers	Available in 44", 72" & 80"; provides higher resale value and second life for vehicle
15. Industry-Leading Aerodynamics	Saves fuel and improves your bottom line

## AERODYNAMICS

*The roofline, combined with fairings and a new sunvisor, delivers superior aerodynamics and fuel economy.*

## COMFORT & PRODUCTIVITY

*Lightweight, quiet and roomy. Classic Peterbilt amenities with valuable attention to detail where it counts.*

## VISIBILITY

*Redesigned headlamps and fog lights maximize down-road visibility and coverage while reducing driver eye fatigue.*

## SMARTNAV™

*Provides real-time truck monitoring, truck-specific navigation, hands-free Bluetooth® connectivity and satellite radio.*
