# Exterior Features

# MODEL 589

## Exterior Features

- 1 HOODS, CROWN & GRILLE**

The classic huck bolted aluminum hood is available in 121" or 131" BBC and features a wrap-around aluminum crown, rectangular stainless steel grille mesh with triple grille bars and bicycle style fenders. The hood is finished with the iconic Peterbilt bird hood ornament.
- 2 SUN VISOR**

The polished stainless-steel v-style sun visor adds a bold element to the exterior of the truck with a strong tie to the traditional Peterbilt heritage.
- 3 MARKER LIGHTS**

Two styles of marker lamps are available – the standard aero-style for a sleek appearance or the unique bullet-style lamp for a classic appearance. Both options utilize bright and long-lasting LED bulbs.
- 4 ALUMINUM CAB**

The 2.1m cab features stamped-aluminum panels and a robotically-bonded and riveted construction, which results in a durable, quiet and comfortable interior. The wider cab was built around the driver, with excellent ergonomics and plenty of space between the seats to access the sleeper.
- 5 WEST COAST-STYLE MIRRORS**

The West Coast-style mirrors maintain the traditional Peterbilt look with enhanced features such as motorized and heated glass as well as excellent visibility with 7"x 18" flat glass and offset 8" convex.
- 6 AIR CLEANERS**

The 15" stainless-steel air cleaners are integral to the bold and instantly recognizable road presence of the Model 589. They feature large filter elements for extended service intervals and tool-free replacement.
- 7 EXHAUST**

Multiple exhaust options are available, including right-hand under-cab or horizontal cannisters with a variety of tail pipe configurations, highlighted by available dual-functional side-of-cab chrome pipes on both hood lengths.
- 8 BATTERY BOX**

The aluminum battery box includes excellent cab entry, an integrated toolbox, a removable lid for easy accessibility and styling to match the passenger side.
- 9 HEADLIGHTS & DAYTIME RUNNING LIGHTS**

The iconic Peterbilt pod-mounted, halogen projector module headlights feature a long-life span and are paired with distinct LED daytime running lights which provide a unique signature at the front of the truck and excellent visibility on the road.
- 10 BUMPERS**

A wide array of bumper styles and materials are available including Texas square, standard taper, deep taper and logger style in aluminum polished, chrome, stainless steel-clad aluminum or painted depending on configuration.

For more information on the new Model 589, contact your local Peterbilt dealer or visit [peterbilt.com](https://www.peterbilt.com).
