

MODEL 589

Cab Features

Peterbilt

MODEL
589

For more information on the new Model 589, contact your local Peterbilt dealer or visit **peterbilt.com**.

Cab Features

1. **STEERING WHEEL**
The contoured steering wheel with bright touches and premium stitching places integrated controls at the driver's fingertips. The Platinum Sandstone interior features a luxurious two-tone leather wheel.

2. **DIGITAL DISPLAY**
The 15" digital display is the largest in the industry, with easy-to-use features, customizable gauges and intelligent gauge monitoring.

3. **13" DISPLAY**
Featuring a premium 13-inch portrait display, responsive knob-on-glass control, and an innovative suite of specialized applications through PACCAR Connect.

4. **SWITCHES**
Easy-to-reach switches are illuminated and configurable for different applications as well as aftermarket equipment.

5. **DASH PANELS**
Platinum interiors feature bright trim and rich burlwood grain. The Premier interior utilizes mold-in-color panels to hide wear and provide a sleek appearance.

6. **AUTOMATIC CLIMATE CONTROL**
High-performance, automatic climate control maintains a comfortable driver environment with five vents for balanced air flow and superior defrost performance.

7. **POWER PORTS**
Two standard power ports, with options for up to 3 USB connections, provide the driver with convenient connections for devices.

8. **STORAGE**
Driver-centric storage is within easy reach, such as the door pad map pocket and large cup holders.

9. **SEATS**
Comfortable Peterbilt LX and ST seats, with adjustable supports, can be configured with leather, fabric, vinyl or Mordura® coverings as well as available heating and cooling.

10. **DOOR PAD**
The premium-finish door pad includes purposeful storage, integrated courtesy lights as well as window and mirror controls. The Platinum trim features woodgrain matching the dash and plush padding.
